

1 • PEOPLE

● Athlete

Does a short weekly Mental Rep and check-in.
Opens tools when needed.

● Coach

Builds the season. Sees the team picture and who finished – not private answers.

● Admin

Creates teams and codes. Publishes all content without a developer.

2 • WHAT THEY OPEN

Athlete app

This week's training, check-in, toolbox, progress.

Coach console

Season Builder, team pulse, completion, weekly coach tool.

Admin CMS

Teams, codes, modules, videos, tools, access dates.

3 • THREE PRODUCTS

Mental Reps

5–8 minutes each week. Learn, practice, apply.

Season Builder

Coach picks topics and order. One module unlocks each week.

Team Pulse

A 30-second check-in becomes team averages – never individual scores.

4 • PRIVACY

Coach can see

Who completed training, team averages, and a suggested focus for the week.

Coach cannot see

Individual scores, reflections, or how any one athlete feels.
