

1 • START THE SEASON

Buy access

School gets the team on after a workshop.

Create the team

Admin makes a team and a join code.

Build the season

Coach picks topics – or uses the recommended path.

Athletes join

Each athlete signs up and enters the code.

Season starts

This week's Mental Rep unlocks.

2 • EVERY WEEK

ATHLETE

This week unlocks

Home shows one Mental Rep and a check-in.

Do the Mental Rep

5-8 minutes. Learn, practice, apply.

30-second check-in

How they feel this week. Kept private.

COACH

See Team Pulse

How the group feels – averages only.

See who finished

Names and completion. Not their answers.

Use the coach tool

A conversation that matches this week's lesson.

Between them: check-in scores stay private. Only team averages reach the coach. Then the week repeats.

3 • ALWAYS AVAILABLE

Mental Toolbox

Athletes open tools anytime – game day, after a tough performance, or when pressure hits.

Admin

Runs teams, codes, content, and access dates for the whole platform.
