

1 · ACTORS & BUYING CONTEXT

**Athlete**

Middle / high school. Owns login. Completes weekly Mental Reps and check-ins. Uses toolbox on demand.

**Coach**

Builds the season. Sees team pulse (aggregates) and who completed. Gets a weekly coach tool. Never sees private answers.

**MMM Admin**

Creates schools, teams, codes, access windows. Owns the content CMS. Manages coaches and accounts.

**School / program**

Purchases team access (outside the app in v1). Receives a unique team join code after provisioning.

**Later · Athletic director**

Multi-team oversight. Not in v1. Payments stay out of band until admin billing is added.

MMM PLATFORM BOUNDARY

2 · PRESENTATION

**Athlete app**

Simple home: this week only  
Mental Rep (≤10 min)  
30-60s weekly check-in

Mental Toolbox / Game Day  
Season progress  
Reminders

**Coach console**

Season Builder  
Recommended pathway option  
Team Pulse dashboard

Completion (who / %)  
Weekly coach tool  
Completion reminders

**Admin CMS / ops**

Schools, teams, codes  
Access start / end  
Modules, video, activities

Toolbox + coach resources  
Reset passwords / coaches  
Usage: teams, completion, pulse

**IDENTITY**

Athletes self-signup. Coach accounts are separate. Admin is operator-only.

**ACCESS**

Unique team code binds athlete to team. Admin sets access start and end.

**AUTHORIZATION**

Role views only. Coach cannot read individual reflections or 1-5 scores.

3 · DOMAIN SERVICES – THREE CORES PLUS SUPPORTING

**Mental Reps**

Weekly athlete session. Target 5-8 min, cap 10. Same shape every week.

Check-in Q   Learn (video)   Interact   Apply

Challenge

**Season Builder**

Coach sets week count, topics, module order. Weekly unlock. Optional recommended season.

Topics   Sequence   Unlock day   Recommended path

**Team Pulse**

Weekly 1-5 ratings → team averages, trends, recommended coach focus. Never individual scores.

Energy   Confidence   Motivation   Pressure

Connection   Enjoyment

**Supporting**

Mental Toolbox   Coach tools

Completion   Progress   Notifications

Content CMS

Toolbox is on-demand. Coach tool matches this week's module. Notifications: rep ready, check-in due, team % complete.

**4 · PRIVACY GATE**

**Minors · default private**

**Coach can see**

Participation (who finished). Team Pulse averages and arrows. Completion %. Recommended coach resource.

**Coach cannot see**

Individual 1-5 scores. Reflection text. Toolbox use. Anything that identifies an athlete's inner state.

**Do not build in v1**

Anonymous mental-health disclosure. No escalation path exists yet. Open-ended answers only if legally cleared.

5 · DATA STORES

**Accounts**

Athlete, coach, admin · auth

**Orgs / teams**

School, team, join code, window

**Seasons**

Week map, unlock schedule

**Content library**

Modules, video, activities, tools

**Pulse aggregates**

Team means, trends, n-of-n

**Private responses**

Locked to athlete · not coach-readable

**F1 CONTENT**

Admin CMS → library → Season Builder + Mental Reps + Toolbox + coach tools

**F2 ASSIGN**

Coach sequence → weekly unlock → athlete home “this week”

**F3 DELIVER**

Athlete completes Rep → progress + completion flag (name only to coach)

**F4 PULSE**

Check-in scores → aggregator → coach Team Pulse (no identities)

**F5 COACH ACT**

Pulse recommendation + matching coach conversation tool

**F6 NOTIFY**

Push/email: Rep ready, check-in due, team completion %
